

Joe Roe

I am a computational archaeologist using data science to understand the [economy and ecology of the first farmers in Southwest Asia](#). I also develop [research software](#) and [open data resources](#) that support reproducible quantitative analysis in archaeology.

View this CV online with links at <https://joeroe.io/cv>

Education

- 2025 • **PhD in prehistoric archaeology (*insigni cum laude*)**
Institute of Archaeological Sciences, University of Bern
 - Thesis: *Studies in open archaeology and the archaeoecology of early agriculture in West Asia, c. 15,000–6,500 Before Present*
 - Supervisors: Prof. Albert Hafner, Dr. Martin Hinz
- 2017
|
2013 • **Postgraduate studies**
Institute of Archaeology, University College London
 - Computational modelling of prehistoric human ecology in the Southern Levant
 - Supervisors: Prof. Louise Martin, Prof. Andrew Bevan, Dr. Andrew Garrard
- 2013
|
2012 • **MA Archaeology (Distinction)**
Institute of Archaeology, University College London
 - Dissertation: *Cultural phylogeny of kurgan burial mounds in the west Eurasian steppe*
 - Supervisor: Prof. Stephen Shennan
- 2011
|
2008 • **BA Anthropology & Archaeology (1st class hons.)**
Departments of Anthropology & Archaeology, Durham University
 - Dissertation: *Spatial analysis of intra-site surface collection data from a Cucuteni-Tripolye mega-site*
 - Supervisor: Prof. John Chapman
- 2008
|
2001 • **Secondary education**
Woodkirk High School, Leeds

Academic appointments

- Current
|
2025 • **Research officer (Forskningsfuldmægtig)**
Department of Cross-Cultural and Regional Studies, University of Copenhagen

Last updated 2025-10-28

2024
|
2021

● **Research assistant (Projektmitarbeiter)**

Institute of Archaeological Sciences, University of Bern

- Lead developer of [XRONOS](#), an open repository for chronometric data (PIs: Dr. Martin Hinz, Prof. Albert Hafner)
- Also contributed to research project “Climate Change Resilience and Vulnerabilities of Bronze Age Waterfront Communities (2200-800 BC)” (PI: Dr. Caroline Heitz)

2020
|
2017

● **Research assistant (Videnskabelig assistent)**

Department of Cross-Cultural and Regional Studies, University of Copenhagen

- Responsibility for archaeological survey and spatial analysis components of major field projects in Iran and Jordan
- Developed databases and software interfaces for the projects’ research data
- PIs: Dr. Tobias Richter, Prof. Peder Mortensen

Field projects

2019	● Field director Shubayqa Archaeological Project	📍 Jordan
2018	● Field archaeologist Ancient Socioecological Systems in Oman (ASOM) project	📍 Oman
2018	● Supervisor Razavar Valley Survey	📍 Iran
2018 2015	● Field archaeologist & supervisor Shubayqa Archaeological Project	📍 Jordan
2015	● Field archaeologist Kharaneh IV Project	📍 Jordan
2014 2012	● Field archaeologist & supervisor Tripillia Mega-Sites Project	📍 Ukraine
2012	● Supervisor Mirkovo Project	📍 Bulgaria
2009	● Trainee Tripillia Mega-Sites Project	📍 Ukraine
2007	● Trainee York Archaeological Trust	📍 England

In the field, I specialise in site prospection, intrasite survey, digital recording and GIS.

I was responsible for the survey component Shubayqa Archaeological Project (2018–2019), including designing the research strategy, planning and obtaining permits, and directing teams on the ground.

Grants & scholarships

2022	● Young Researchers' Promotion Fund And other internal funds	📍 University of Bern
	• 7300 CHF for 'Digital Archaeology Bern 2023'	
	• Small grants for conference and workshop participation	
2019	● Project grant Danmarks Frie Forskningsfond	
	• "Connecting the Dots: Reconfiguring the Indo-European family tree"	
	• Named applicant. PI: Dr. Thomas Olander	

- 2018 ● **Fieldwork grant**
Det Danske Institut i Damaskus
 - 115,000 DKK to support archaeological fieldwork in eastern Jordan (2019)
 - Co-applicant with Dr. Tobias Richter
- 2018 ● **Fieldwork grant**
H. P. Hjerl Hansen Mindefondet for Dansk Palæstinaforskning
 - 50,000 DKK to support archaeological fieldwork in eastern Jordan (2019)
 - Co-applicant with Dr. Tobias Richter
- 2016 ● **Project grant**
C. L. Davids Fond og Samling
 - “Tracking Cultural and Environmental Change: the Epipalaeolithic and Neolithic in the Seimarreh Valley, central Zagros”
 - Named applicant. PIs: Prof. Peder Mortensen, Dr. Tobias Richter, Dr. Hojjat Darabi
- 2015 ● **Institute of Archaeology Award**
UCL Institute of Archaeology 📍 London
 - Individual grant (£1888) to participate in archaeological fieldwork in eastern Jordan
- 2014 ● **Research Students’ Conference Grant**
London Centre for the Ancient Near East (LCANE)
- 2013 ● **PhD Studentship**
Leverhulme Trust
 - Part of Research Project Grant RPG-2013-223
- 2012 ● **Research-preparation Masters Award**
Arts and Humanities Research Council

Teaching & public engagement

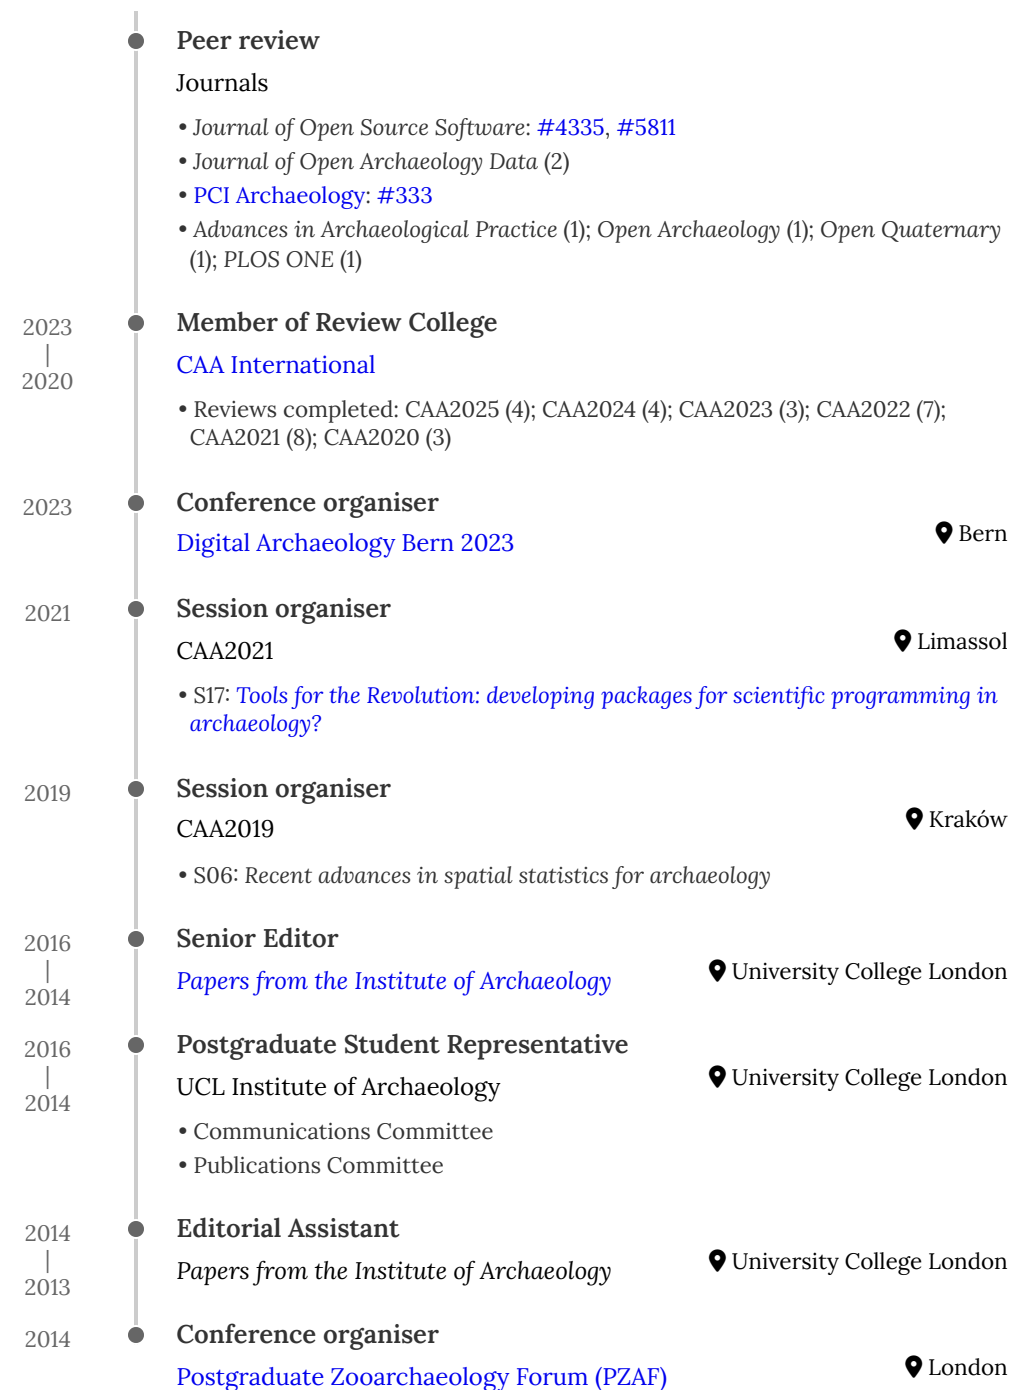

- 2024 ● **Guest lecturer** 📍 University of Copenhagen
 - “Theory and Method in Near Eastern Archaeology” (CCRS)
 - “Advanced Archaeological Methods” (Saxo Institute)
- 2024
|
2020 ● **Instructor** 📍 University of Pisa
 - For five years I have led an intensive [two-day workshop on data visualisation in R](#) for archaeologists

Promoting computational tools, and especially R, in archaeology has been a particular focus; I have experience in teaching at a range of levels, as well as informally mentoring students and colleagues.

- 2023
|
2022
- **Course lecturer**
Institute of Archaeological Sciences  University of Bern
 - Lead instructor on BA-/MA-level courses [GIS in Archaeology](#) and [Statistical Methods for Archaeological Data Analysis](#) (SMADA)
 - Recognised for “Excellence of Teaching” for SMADA 2023 (top 14% of courses in the Faculty of Humanities according to student satisfaction)
- 2021
|
2018
- **Course lecturer**
Department of Cross-Cultural and Regional Studies  University of Copenhagen
 - BA: “Practical Archaeology 1” (Arkæologisk praksis 1, [HNAB0100FU](#)), “Practical Archaeology 2” (Arkæologisk praksis 2, [HNAB0102EU](#)), “Science and Theory of Science” (Videnskabsteori, [HTOR0102FU](#))
 - KA: “Theory and Method in Near Eastern Archaeology” ([HNAK0101EU](#)), “Environments and landscapes in the archaeological record of southwest Asia” ([HNAB0102FU](#)), “Neolithic to Early Urban Periods in the Near East” ([HNAK0102EU](#)), “Project-based course” ([HNAK0100FU](#))
- 2020
- **Workshop organiser**
Department of Cross-Cultural and Regional Studies  University of Copenhagen
 - Led an intensive two-day workshop on mobile GIS for linguistic field research
- 2016
|
2015
- **Postgraduate Teaching Assistant**
UCL Institute of Archaeology  University College London
 - ARCL2028 Research & Presentation Skills
- 2016
|
2014
- **Tutor**
[The Brilliant Club](#)  Schools in London
 - Designed and delivered a university-style tutorial course for primary and high school students
- 2015
- **Student Volunteer**
Maths and Archaeology workshop  Petrie Museum of Egyptian Archaeology
 - Outreach event for high school students organised by Dr. Alice Stevenson (Petrie Museum) and Dr. Luciano Rila (UCL Mathematics) and supported by the London Mathematical Society
